

PROFESSIONAL AVIATION TRAINING  
ACADEMY - MALTA

# Be a PILOT for a day!!

## Air Experience (Trial) Flights

*Experience the joy of flying an aircraft yourself under the supervision of an experienced instructor - whether just for fun or as the first step towards a career as pilot.*

Tecnam P2002JF

Tecnam P92JS

*The Tecnam 2-seater aircraft are our main PPL training aircraft and is a cost-effective way to fly. You can choose between the P92JS high-wing or the P2002JF low-wing aircraft.*

*Buy a **Gift Voucher** for a loved one, a special occasion or even for team building activities...*

*Vouchers are valid for 1 year from date of purchase.*

PROFESSIONAL AVIATION TRAINING  
ACADEMY - MALTA

*The Cessna 172 is a 4-seater aircraft used mostly for commercial flight training. The aircraft is popular because it offers a larger cockpit for more comfort. It is also the aircraft used for trial flights done by 2 persons.*

PROFESSIONAL AVIATION TRAINING  
ACADEMY - MALTA

### *Simulator Flights*

*Our Alsim ALX simulator is used for training commercial pilots and you now have the opportunity to experience a flight with an instructor. You can also share the flight with somebody else in the same way airline pilots would do.*

| Simulator experience on SEP model available on request.      | tbc   |

### Note:

- Change of name or validity on voucher .... € 35
- Duration of trial flight is measured from engine start-up to engine shut-down.
- Since trial flights are considered as a very basic training flight, passengers are not allowed. Two persons can participate in the same flight on the Cessna 172, but then both persons will be required to have time at the controls. The time does not have to be split equally but the booking will be for 2 x 30 minutes instead of 60 minutes as would be the case for 1 person.
- The minimum age is 9 years, but the child should be able reach the controls of the aircraft.
- A maximum weight limitation is in place for flights on either of the Tecnam aircraft.
- The duration of the flight can be logged towards future flight hours in case flight training is continued.

## Terms and Conditions for flight bookings

1. Full payment required on booking of trial flights and simulator experience flights.
2. Payments can be made by cash, card or bank transfer. A 3% credit/debit card fee is payable for all MSof flights (trial and simulator experience flights).
3. Card payments can be made in advance by signing the payment authorisation form available on request.
4. Full amount will be forfeited in case of no-shows or cancellations less than 48 hours prior to the booked flight.
5. A form of Identity is required to obtain access through the Airport Security Gate. If this cannot be provided on the day, the flight could be cancelled and no refund will be given.
6. Full refunds will be given for flights cancelled by MSof due to weather or operational reasons and that cannot be rescheduled.
7. Refunds will be done by bank transfer and actioned within seven working days.
8. Flights that have already been booked and paid will not be affected by increase in prices.
