

## Basic Instrument Flight Module (BIFM)

Basic Instrument Flight Module (BIFM) comprises 10 hours of instrument time under instruction, of which up to 5 hours can be instrument ground time in our FNPT II flight simulator.

**Average Course Duration:** 1 week.

### Pre-Entry Requirements:

- PPL
- Night Rating

### The BIFM course consists of:

#### Option 1:

- 5 hours on FNPT II Simulator
- 5 hours flying (C172)
  - Cost: €2,250 + €150 registration fee.

#### Option 2: 10 hours flying on C172

- Cost: €2,400 + €150 registration fee.

- Upon satisfactorily completing the BIFM as a separate course the applicant is issued with a BIFM course completion certificate.
- The hours completed during this course can be counted towards both the CPL and Instrument Rating.
- Course fee to be paid upfront.
