

Get Qualified
and get up to 80% of your
expenses back

What is Get Qualified?

Get Qualified is a tax incentive awarded to individuals who successfully develop their knowledge and competencies through recognised academic qualifications required to address the future economic development of Malta.

From what can I benefit?

By applying for this incentive you can benefit from a tax credit of up to 80% on expenses incurred on course and examination fees.

What areas of study are covered?

- All areas of study at Doctoral or post-Doctoral level
- Qualifications or certifications at level 5 or higher in the Malta Qualifications Council (MQC) grading structure directly relevant to careers in one of the following industries:
 - Aviation Industry
 - Chemical and Pharmaceutical Industries
 - Economics and Statistics
 - Financial Services
 - Crafts and Creative Industries
 - Information and Communication Technologies
 - Business Process Outsourcing, Call Centres and Shared Services
 - Engineering
 - Advanced Manufacturing
 - Maritime
 - Life Sciences (including also Health Services and Veterinary Services)
 - Energy, Oil and Gas

Contact Business First or your local training provider for information on how to apply for this incentive.

The full list of approved courses and complete details on this incentive may be downloaded from www.maltaenterprise.com/getqualified.
